

THE ELIZABETH NASH FOUNDATION

The Elizabeth Nash Foundation P O Box 1260 Los Gatos, CA 95031-1260

www.elizabethnashfoundation.org

The Elizabeth Nash Foundation was established by her family to honor and perpetuate Liz's lifelong example of giving. The Foundation supports causes that reflect her values and interests. A specific emphasis is placed on efforts that improve the lives of those affected by Cystic Fibrosis. The Foundation intends to focus on three areas:

- Research – We will continue to support Cystic Fibrosis Research Inc, the Cystic Fibrosis Foundation and selected other CF research initiatives. We hope to be able to increase our support as the Foundation grows.
- Education Support – The ENF Scholarship Program awards annual scholarships to individuals affected by CF. The scholarships are available for both undergraduate and graduate studies and are based on a combination of merit and need. We plan to expand the Scholarship Program in future years as our resources allow.
- Service – We will initiate a pilot program this year to assist individuals and families with certain unmet needs, particularly at the time of hospitalization.

We are very thankful to our friends and family for their continuing generosity and support, which enables us to continue this work. All donations go 100% to ENF programs. All administrative costs are absorbed by the board, which also serves without compensation. Your thoughts and feedback are always welcome. You may contact us at: info@elizabethnashfoundation.org

2005 In Review

Non Profit Status

The Foundation was granted 501 (c) 3 status and recognized as a public charity by the I.R.S. As a result the Foundation is now better positioned to respond to the diverse needs of the CF community. All donor contributions remain tax deductible.

Elizabeth Nash Scholarship Program

In this, our inaugural year, we were pleased to be able to award scholarships to six outstanding individuals. The burden, both financial and otherwise, on individuals with CF who pursue university studies can be overwhelming. ENF is pleased to help alleviate that in some way.

Recipient: "I want to thank your family and all those who help this Foundation. This is an

amazing thing ...you are doing. It really helps our family...and we couldn't do it without assistance."

In addition to these scholarships, ENF contributed to the support of a student intern doing CF research work during the summer.

Dine In for ENF

Several very successful events were held in '05 and several have been carried over to this Spring. The Foundation is very grateful to the hosts of these events and their guests. By all accounts the events were enjoyed by hosts and guests alike. There have been cocktail parties, brunches, formal dinners and pool parties. The Dine In program is our greatest single source of contributions and has enabled us to accomplish

as much as we have in '05. Please consider hosting an event for this great cause. Choose any theme you would like and on whatever time schedule that works best for you. The Foundation can help with ideas, invitations and etc.

Grants Made

The Foundation made grants to the following causes in 2005:

- Cystic Fibrosis Research Inc. (CFRI) - to be used in their Elizabeth Nash Memorial Fellowship Program in support of post doctoral research in the field of CF.
- Cystic Fibrosis Foundation (CFF) - given in connection to their Great Strides walkathon in the name of all those who walked in Liz's name. These funds will also be used to support CF research.
- Children's Hospital Oakland Research Institute (CHORI) - to support a summer intern's work in the field of CF research.
- ENF Scholarships – six individuals were awarded scholarships to support their university studies.
